## Subject: Los Alamos Sheriff's Posse Membership Application

In 1948 a group of horse owners in Los Alamos formed and organized the Los Alamos Sheriff's Posse (LASP). It was originally chartered to carry out deputy commissions, mounted patrols, rescue, and whatever called upon to do by the community and County Sheriff. Over the years, LASP also became a civic organization, promoting and participating in community events, especially when related to the Los Alamos rodeo and horse-centered activities. This civic activity also grew to include supporting other non-profit charitable organizations with Posse volunteer help and use of the Lodge. In the recent past, as the Lodge itself grew into a historical landmark in the community, LASP has also taken on the task of preserving and restoring the building to assure it will be available to the people of Los Alamos for years to come. LASP continues to carry out all of these activities and is even reviving its connection with the Los Alamos County Sheriff with interested members making themselves available for support activities when called upon by the Sheriff. LASP can only survive and thrive with active members. Thank you for your interest in becoming one!
